Miss Katie Sparks.

Are You Worn Out by Overwork?

No. 2807 Locust Street, Sr. Louis, Mo., April 15, 1903. Last fall I fairly collapsed from overwork and the continual mental strain which undermined my nervous system. I was fretul and irritable, lost my appetite and became listless and melancholy.

Five bottles of W one of Cardui restored me. As a nerve tonic and a gentle stimulator to a sluggish system it has no super for and restoring the vitality and renewing the entire body! know of nothing which can in any way compare with Wine of Cardui. I give it my sincerest praise.

To have strong nerves and good health restored and to feel renewed vitality in the entire

system after a condition of complete collapse from overwork, was the benefit which Miss Sparks secured from five bottles of Wine of Cardui. Could anyone make a better investment at the slight cost of Wine of Cardui than that? . With a bottle of Wine of Cardui in her home any woman can privately and successfully

treat herself for female weakness. It relieves girls and women of all ages of menstrual irregularities. By regulating the menstruation, pain and inflammation are banished and the strain removed from the debilitated nervous system. Then the nerves recover their normal and healthy condition.

Do you feel all worn out after a little exertion? Are you nervous and irritable? Are you sleepy and sluggish in the daytime and nervous and restless at night? Have you leucorrheea? If you answer "yes" to any of these questions a treatment of Wine of Cardui would give you ine stimable benefit. All druggists sell \$1.00 bottles of Wine of Cardui.
